# Fire Warden Training

**Emergency Preparedness** 

### Today's Agenda:

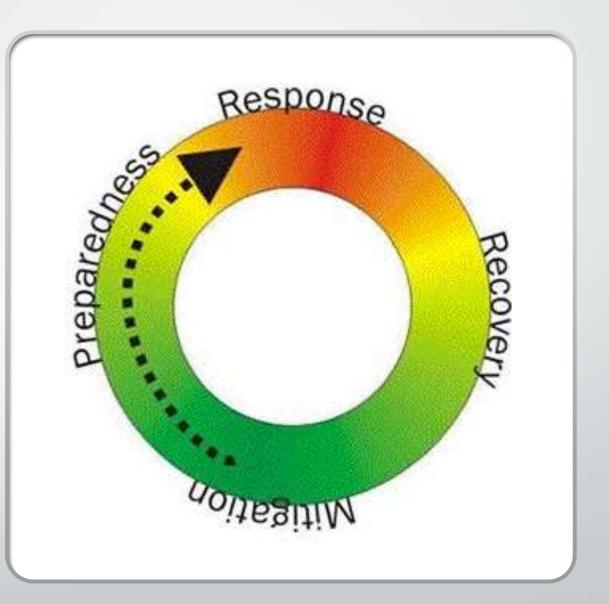

- Emergency Planning
- Building Fire/Life Safety Systems
- Tenant Emergency Response Team
- Emergency Response Procedures
  - Fire Alarm
  - Medical Emergency
  - Bomb Threat
  - Earthquake/Tornado
  - Active Shooter
- Questions

#### What is an emergency?

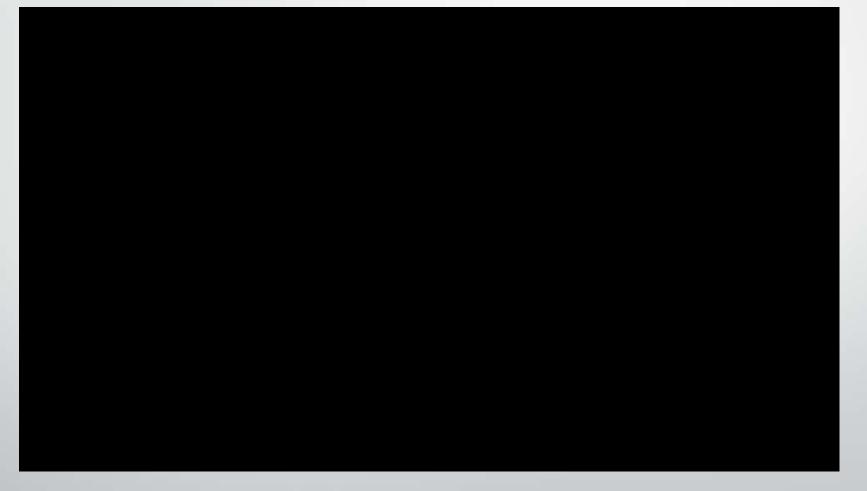

An event, actual or imminent, which endangers or threatens to endanger life, property or the environment, and which requires a significant and coordinated response.<sup>1</sup>

1. Koob, P., 1998. *Australian Emergency Management Glossary*, "Australian Emergency Manuals Series, Part I, The Fundamentals, Manual 3, "Emergency Management Australia Canberra, as quoted in the SRM Lexicon, *Security Risk Management Body of Knowledge*, Julian Talbot and Dr. Miles Jakeman (Risk Management Institution of Australasia Limited, Carlton South, Vic; 2008:346.). Four Phases of Emergency Management

- Situational Awareness
- Organize/Prepare/Train
- Notification/Action
- Restoration of services/Return to normal operations

# Are you prepared?

#### Get Prepared: All Hazards Approach

An approach for prevention, protection, preparedness, response, and recovery that addresses a full range of threats and hazards, including domestic terrorist attacks, natural and manmade disasters, accidental disruptions, and other emergencies.

#### Get Prepared: Zombie Preparedness

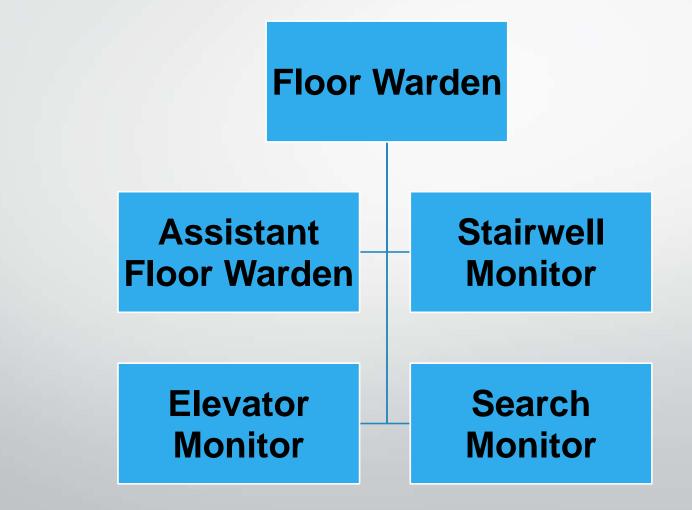

3. Cdc.gov. (2018). Zombie Preparedness | PHPR | CDC. [online] Available at: https://www.cdc.gov/phpr/zombie/index.htm [Accessed 25 May. 2018].

#### Building Life Safety Systems & Equipment:

- Smoke Detectors
- Manual Pull Station
- Strobe Lights
- Sprinkler System
- Pressurized Stairwells
- Fire Rated Doors

- Fire Control Room
- PA System
- Emergency Power
- Fire Extinguishers
- First Aid Kits/AEDs

#### **Emergency Response Team: Individual Tenant Structure**

#### Roles: Floor/Suite Warden

- Organizes & directs evacuation
- Identified with appropriate emergency identification (Floor Warden hat or vest)
- Ensures all areas searched and evacuated
- Communication link between tenant and management

#### **Roles: Searcher**

- Ensures everyone has evacuated from suite
- Makes sure <u>ALL</u> doors are closed (not locked!)
- Notifies Floor Warden when assigned area is cleared and doors closed.

Tip: Stick post it notes on doors of offices that have been searched and the door closed.

#### **Roles: Elevator Monitor**

- Makes sure occupants do not use the elevator
- Directs everyone to the stairwell (evacuate or for refuge)

#### **Roles: Stairwell Monitor**

- Manages Stairwell Evacuation
  - Prevents food or drink
  - Checking footwear (no high heels!)
  - No large bulky objects (suitcases, bags)

#### **Roles: Assistance Monitors**

Impaired: "Anyone who can not walk down one flight of stairs unassisted."

- Recommend two Assistance Monitors
- Safe refuge in stairwell
- Wait until stairwell clear before entering (last to enter stairwell)
- One monitor stays with person(s); Second monitor reports to area of refuge

### **Emergency Response: Fire Alarm**

- If you hear the alarm and see flashing strobes:
  - ASSUME IT IS REAL!
  - Follow your evacuation protocols.
- If you discover a fire:
  - First Priority: Life Safety
  - Then activate alarm/call 9-1-1
  - Evacuation

• Fire Fighting: Optional

#### How To: Evacuation

- Remain calm
- Keep quiet & follow instructions (Floor Wardens and PA)
- Close <u>ALL</u> doors but keep them unlocked
- Stay to the right on the stairs and use handrails
- Exercise leadership
- Report to your tenant designated refuge area

#### Area of Safe Refuge:

- Safe area away from imminent danger
- Take a head count
  - Assistance Monitors will report any persons still sheltered in place and their locations
- Maintain a roster/check in sheet
  - Provide to Management & Fire Department upon request

#### Area of Safe Refuge:

- KNOWYOUR EXITS!
  - Have a primary and alternate escape plan
- Situational Awareness
  - Eliminate distractions and pay attention (moving vehicles)

#### Fire Drill Evacuation: Expectations

- Mandatory Participation
- Failure to participate may result in:
  - Fines up to \$999
  - And/or jail time up to 300 days
  - Plus up to two years probation & community service
- Respond as if it were real

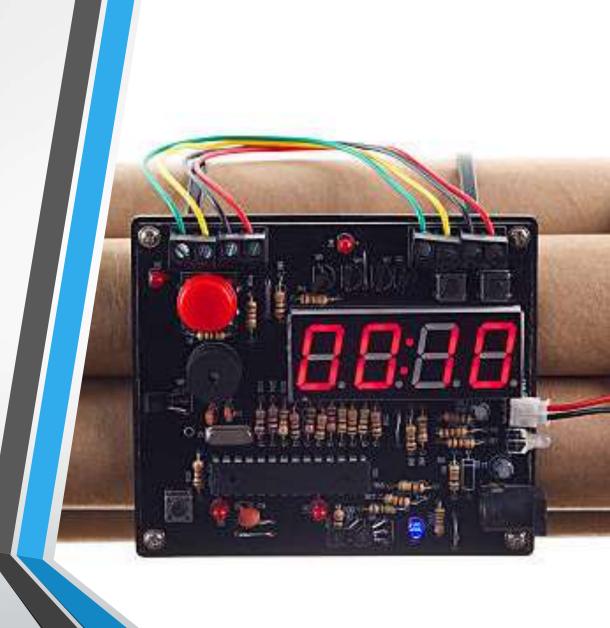

#### **Emergency Response: Medical**

- Call 9-1-1
- Notify Security or Property Management
  - Security: 720-595-7049
  - Management: 303-595-7025
- Provide as much information as possible
- If possible: position the patient in the elevator lobby on the floor

# Emergency Response: Bomb Threat

- Take any received bomb threat seriously!
- Record as much information as possible.
- Call 9-1-1
- Notify Security or Property Management
  - Security: 720-595-7049
  - Management: 303-595-7025

### Bomb Threat Checklist:

- Do not hang up!
- Ask questions
- Grab additional indirect information

Tip: Keep a bomb threat checklist readily available to help guide you through a bomb threat phone call.

# Emergency Response: Tornadoes

- Move away from the exterior of the building towards the core
- Shelter inside stairwells/restrooms away from windows
- If trapped and unable to move to the core of the building, then drop and seek safe cover under a desk or table

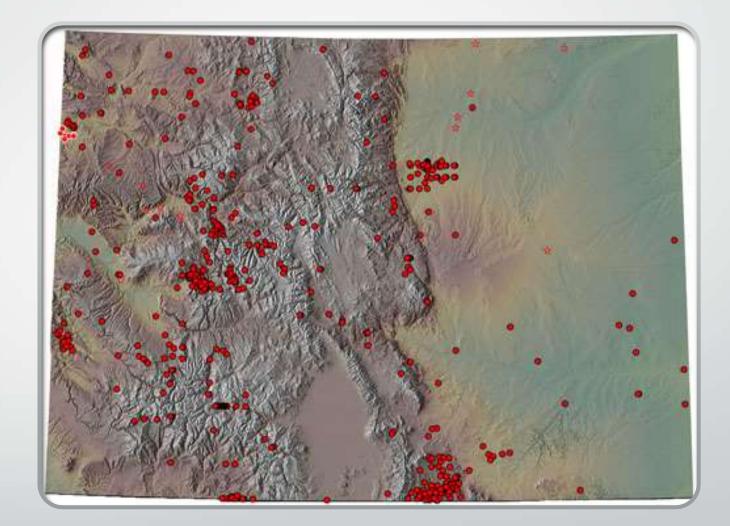

#### Emergency Response: Earthquakes

- If you are inside, stay inside!
- If you are outside, stay outside!
- Just remember to.....

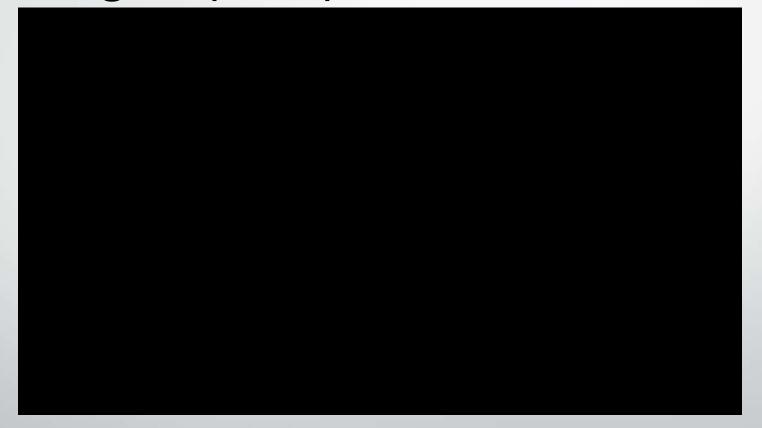

#### Emergency Response: Earthquakes Aftermath

- Check and treat injuries
- Check your area for <u>damage</u>
- <u>Beware</u> of aftershocks
- Only leave if absolutely necessary (i.e. situation becomes life threatening)
  - Best to remain where you are

#### **Emergency Response: Active Shooter**

### **Emergency Procedures: Summary**

When a fire, medical emergency or urgent police matter arises:

- Call 9-1-1
- Notify Security or Property Management
  - Security: 720-595-7049
  - Management: 303-595-7025
- Provide as much information as possible
- Follow your emergency procedures

#### Fire Warden Training: Conclusion

Before:

- Develop/Establish your tenant emergency response teams.
- Develop a written plan for each emergency and build your emergency kit.
- Network with neighbor tenants.
- Review and practice your plan (coordinate with building personnel).

#### Fire Warden Training: Conclusion

#### During:

- Fire Wardens/Assistant Warden's wear your hats.
- Remain calm.
- Searchers check all areas inside the suite and common areas (elevator lobby, restrooms).
- Close all doors but **DO NOT** lock them!
- Proceed to your tenant designated area of refuge.
- Account for all your employees & guests using your company roster.

#### Fire Warden Training: Conclusion

After:

- Wait for the all-clear text message or call security at 303-595-7049.
- Return to the building and your floor safely.

#### • Questions or Comments?
